Chapter 2

A TROLL LEARNING CENTER

Troll Math Class is the ideal way to introduce students to basic math skills. **LEVEL K: I CAN COUNT** focuses on one-digit numbers and the number 10.

Lively activities use bright colors and animation to help youngsters recognize the numbers 0 to 10, count objects in a set, compare the sizes of various sets, complete number sequences, and form a one-to-one correspondence between sets and numbers.

THIS LEARNING CENTER CONTAINS:

- a MICRO-SOFTWARE program disk
- a User's Guide
